## 1.0 Purpose

- 1.1 The purpose of this report is to provide the Cabinet with a copy of the Wolverhampton Safeguarding Children Board's (WSCB) Annual Report and Executive Summary (**Appendix 1 & Appendix 2**), to inform the Board of safeguarding activity 2014/2015 and to present the Board with progress made against the priorities for 2013-16. The Annual Report is agreed by the WSCB and provides an overview of how partners have discharged their safeguarding responsibilities over the preceding year.

## 2.0 Background

- 2.1 Wolverhampton Safeguarding Children Board (WSCB) is a statutory body established under the Children Act 2004. It is independently chaired (as required by statute) and consists of senior representatives of all the principle stakeholders working together to safeguard children and young people in the City. Its statutory objectives are to:
- Coordinate local work to safeguard and promote the welfare of children
  - Ensure the effectiveness of its work
- 2.2 Safeguarding means to: undertake any activity which prevents a child's health, welfare or development being impaired, and includes activity to protect from abuse and other risks such as neglect.
- 2.3 The Board is independent of any of the partners, funded by them all and hosted and supported by Wolverhampton City County Council. The WSCB Chair works closely with all Board partners and particularly with the Director of Children and Adult Services (under Section 18 of the Children Act 2004). The Director of Children's Services has the responsibility within the local authority for improving outcomes for children, local authority children's social care functions and local cooperation arrangements for children's services in Wolverhampton.
- 2.4 Statutory Partner Agencies (which includes both all the health commissioning bodies and provider bodies, the police, probation and the council, are under a duty to co-operate with the Board and those accountabilities are defined in Working Together to Safeguard Children 2015.
- 2.5 The Board has no service delivery functions but is required to inform (through its co-ordination and effectiveness responsibilities) the commissioning intentions of partner agencies, It is also required to monitor, quality assure and evaluate the quality and effectiveness of the services commissioned and delivered in the local area.
- 2.6 Working Together (2015) requires each Local Safeguarding Children Board to produce and publish an Annual Report evaluating the effectiveness of safeguarding in the local area. The report should be submitted to the Chief Executive, Leader of the Council, the local Police and Crime Commissioner and the Chair of the Health and Wellbeing Board.
- 2.7 The report sets out the achievements and progress made during 2014/15 and identifies the challenges facing the Board in 2015/16.

### **3.0 Progress, options, discussion, etc.**

- 3.1 The Annual Report outlines our progress and an appendix to the report provides individual assurance statements from the organisations represented at the Safeguarding Children Board. WSCB has reviewed the 2013-16 priorities to reflect areas for development, with a particular focus on outcomes for children and their families. More detail on both progress and future priorities can be found in the body of the Annual Report. Obtaining greater quality and consistency of those reports will be an important part of improving the report further next year.
- 3.2 For each of the Board's Priorities there is a lead that is responsible for driving the priority forward. The leads are all Board members and they report regularly to the Board on both the progress made and challenges faced. The Priority Leads make up the Board's Executive Group.
- 3.3 Over the past 12 months work has been undertaken to improve children's' safeguarding in Wolverhampton; with particular emphasis on effective governance, front-line service delivery, safeguarding particular vulnerable children and community engagement.   - Developed a suite of new policies and procedures to inform practitioner practice
- 3.4 There is more to do and this report outlines the priorities over the next 12 months and beyond. In particular:

  - To ensure that all services (adults and children) embed the safeguarding of children and young people at the heart of what they do
