

PRE1162 - International Mini Market - 373 Newhampton Road West - Transfer

Dear all,

I wish to raise objections to these applications on behalf of the Chief Officer of Police for the West Midlands, under the prevention of crime licensing objective.

The objections are cited due to Police concerns as to the suitability of the applicant being posted in this particular role. This is due to serious crime that has recently occurred at the premises he is applying to become the licence holder of and there being more than a casual link between the applicant and the premises.

This raises grave concerns regarding his ability to uphold and promote the licensing objectives.

Kind Regards,

**PC 1080 Mitch Harvey
Partnerships & Licensing Officer
Wolverhampton Central Police station**
