Provision of substantial refreshment

General

The types of regulated entertainments proposed re-instate and then enhance the normal pub entertainments that were previously unregulated, with the benefit to enhance the local facilities for social entertainment and reduce the focus on alcohol;

No new steps have been identified by my risk assessment in relation to the four licensing objectives, except as below.

The prevention of crime and disorder

Providing a 60 minute extension to opening hours after the end of the sale of alcohol will promote this objective as the last drink will be consumed less quickly, with access to the pubs toilet facilities;

Application made to the local pub watch scheme.

Public safety

My risk assessment identifies no other risk or crowding

The prevention of public nuisance

All windows and doors will be kept closed during times of regulated entertainment.

The protection of children from harm

The restrictions set out in the Licensing Act 2003 will apply;
No unusual risks of harm to children have been identified.

- All doors and windows to remain closed at the premises during periods of public entertainment;
- Polite signs to be placed around the car park of the premises and at the exit doors requesting patrons to leave the premises quietly.
