Review of Premises Licence- PRE1047, Diamond Banqueting Suite, Skinner Street, Wolverhampton, WV1 4LD

Thank-you for your email dated 26/04/2021 in reference to the request made by West Midlands Police to review the premises licence for Diamond Banqueting Suite.

Public Health support the request for a review of the premises in relation to the crime and disorder objective.

Public Health have very serious concerns regarding the substantial amount of cannabis grown inside this premises.

As a Responsible Authority we would expect licensed premises to act responsibly at all times and promote the key objectives of the Licensing Act 2003. With the breaches of the licensing conditions reported Public Health is not reassured that the business is operating in adherence to the Licensing Act and therefore support the request to review the current licence.

I, or a suitable representative from Public Health, will be available to attend the hearing and provide further information as required.

Yours sincerely
