Subject: RE: NEW PREMISES LICENCE APPLICATION - PRE1449 Irrhysponsible Drinks, 1A Brantley Avenue, Finchfield, Wolverhampton, WV3 9AP

Sensitivity: PROTECT

With reference to this application as a Responsible Authority I object to this proposal. In relation to the Licensing Objective Protection of Public Nuisance I feel that the information submitted is not adequate to control noise.

In addition, the requested hours of operation are too long in a residential area. There will be a noise impact from the proposed use namely; car doors banging, car stereos, elevated voices, delivery vehicles, waste removals etc.

Should said noise be permitted until 11pm it will impact on the local residents ability trying to relax in the evening and sleep.

Kind Regards
