LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

This application for a new Premises Licence is restricted to the supply of alcohol as ancillary to meals. The applicant as the Designated Premises Supervisor and the restaurant staff will at all times ensure that the premises are run in a safe and orderly manner and in accordance with the four licensing objectives.

b) The prevention of crime and disorder

The premises are fully secured. The areas around the entrance to the premises are sufficiently illuminated to discourage acts both of nuisance and disorder. The restaurant premises are designed to provide full and uninterrupted supervision of the behaviour of its patrons by the attendant staff. The restaurant has always and will be run as a high class restaurant which will only be available to diners and it is not anticipated that any disorder or crime will be encountered at the premises. Should there be any disorder or difficulty caused then the applicant would have no hesitation in calling for the assistance of the local Police.

c) Public safety

A fully tested emergency lighting facility is in place which covers the eventuality of any loss of power at the premises and also to assist customers to identify emergency exits quickly. The emergency exits will be adequately maintained and kept clear at all times. Fire extinguishers and a fire blanket are strategically positioned at the premises to deal with any fire emergency. The applicant and the restaurant staff will make special arrangements for all diners with special needs or restricted diets.

d) The prevention of public nuisance

The restaurant premises are situated on the upper green in Tettenhall village amongst other commercial premises such as shops, offices and licensed premises. There will be no off sales of alcohol at the premises. The applicant and the restaurant staff will run the premises in a safe and orderly manner to prevent any occurrence of public nuisance. Patrons will be encouraged to leave the premises and the surrounding street parking areas in a quiet and orderly manner. The Designated Premises Supervisor, and the staff will ensure that bottles, cans and other such recyclable items shall only be disposed of in the bottle bank between the hours of 09:00 and 17:00 any day and that the lids of the waste disposal bins shall be kept in place.

e) The protection of children from harm

Unaccompanied children will not be permitted on the premises. The applicant and the restaurant staff will operate a strict proof of age policy to ensure that no persons under 18 will be permitted to purchase, acquire or consume alcohol save for the exception provided in Section 150 of the Licensing Act 2003 in respect of young persons over the age of 16. For small children the restaurant will provide high chairs with harness design according to British Standards

Continued from previous page...

- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
