OFFICIAL

LICENSING ACT 2003
NAME OF PREMISES: AL Sorriso Restaurant
ADDRESS: 18A upper green, Wolverhampton WV6 8QH

I refer to the representation made by the Fire Authority regarding the application for the Grant of a Premises licence made in respect of the above premises.

The applicant has supplied a voluntary undertaking to complete works to the appropriate standards and/or restrict the use of the premises. (As attached).

The Fire Authority considers this undertaking is sufficient, to show that the Public Safety Objective (as it relates to Fire Safety), will be adequately promoted and confirms that there will be no need for a hearing, providing there are no other relevant representations.

Any voluntary undertaking that the applicant gives to the Fire Authority does not constitute Licence Conditions and should not be treated as such.

You should be aware however that failure to act in accordance with the undertaking may result in the Issue of an enforcement notice under the Regulatory Reform (Fire Safety) Order 2005 and/or a review of the premises licence.

Should you require any further information or clarification, please do not hesitate to contact me.

Regards

Neil Aston-Baugh

LICENSING ACT 2003

Voluntary undertaking- Supplement to Application

NAME OF PREMISES: AL Sorriso Restaurant

ADDRESS: 18A upper green, Wolverhampton WV6 8QH

Before signing this document, you should be aware that failure to comply with this undertaking may result in a review of the premises licence and/or enforcement action under the Regulatory Reform (Fire Safety) Order 2005

PUBLIC SAFETY
1) If artificial decorative effects (artificial leaves, plants etc) are to be used on the pergola at the approach to the premises, they will be supplied as suitably fire retardant. A certificate of fire retardancy, will be kept, (or other suitable evidence), and will be given to the fire officer upon request.
2) The changes of floor level will be highlighted so that they are conspicuous and suitable signage will be provided to indicate the trip hazards.
3) The premises will be suitably assessed (during the hours of darkness) to check if emergency lighting is required. If required it will be provided in accordance with BS 5266-1.
4) Staff will receive suitable instruction and training on the actions to take in the event of fire which will include hands on fire extinguisher training for appropriate staff.
5) A Fire risk assessment will be undertaken as soon as is reasonably practicable.
