General

I have undertaken my own risk assessment to take the following proposed steps.

- The types of regulated entertainment proposed materially do no more than reinstate the normal pub entertainment that was previously unregulated;
- No new steps have been identified in relation to the four licensing objectives save as below

Variation 10/09/2010

A risk assessment has been undertaken with regard to these changes to the licensed area. In view of the fact the licensable activities, nature of operation and overall format of the premises remain as previously granted, no new steps are to be offered.

Variation dated 2/12/16

The premises already has the benefit of external licensed area. These are sought to be enhanced but are already used in relation to the consumption of off sales. It is therefore not anticipated that any issues will arise indeed, the provision of waitress service into such areas will improve supervision and thereby promote the four licensing objectives.
