(d) The protection of children from harm

Section 18 of the Licensing Act 2003 provides that where a relevant licensing authority receives an application for a premises licence properly made in accordance with section 17 of the act it must grant the licence, subject to any relevant conditions. However, where relevant representations are made the authority must hold a hearing (unless all parties agree this is unnecessary) and having regard to the representations, take such of the following steps as it considers appropriate for the promotion of the licensing objectives.

The steps are:

1. To grant the licence subject to conditions.
2. To exclude from the scope of the licence any of the licensable activities to which the application relates.
3. To refuse to specify a person as a premises supervisor.
4. To reject the application.

4.2 The general duties imposed on Licensing Authorities means proper consideration must be given to the Licensing Objectives when determining a premises licence application.

4.3 Regard shall be had to guidance issued by the Secretary of State under Section 182 of the Licensing Act 2003 and the City of Wolverhampton Councils Licensing Policy Statement.

This right may be interfered with by the Council on a number of grounds including the protection of rights and freedoms of others. The First Protocol – Article 1 – also provides that every person is entitled to peaceful enjoyment of his possessions and shall not be deprived of his possessions except in the public interest and conditions provided for by law.
