Recommendation for decision:

That Cabinet recommends that Council:

1. Endorse the recommendations in The Wolverhampton Pound Select Committee Action Plan attached at Appendix 2.

1.0 Purpose

- 1.1 Cabinet is asked to recommend to Council endorsement of the recommendations contained in The Wolverhampton Pound Select Committee Action Plan attached at Appendix 2.
- 1.2 Timescales for implementation of the recommendations will be agreed with the action owners following endorsement of the recommendations by Council.

2.0 Background

- 2.1 To re-energise political structures and increase Councillor involvement and influence in decision making processes, a trial Select Committee in relation to The Wolverhampton Pound, was commenced in October 2021.
- 2.2 To support this trial the Council sought input from expert witnesses both internal and external to gather feedback and help shape the recommendations.
- 2.3 The Select Committee comprised a cross-party group of councillors working together to gather information and evidence in relation to an agreed line of inquiry.
- 2.4 The Select Committee was non-political in its approach and met in public to hear evidence from officers, partner organisations, community groups and individuals.
- 2.5 The Select Committee pursued the goals of equality, diversity, and inclusion in relation to witnesses, membership and the work undertaken.
- 2.6 The Terms of Reference were as follows:

To consider the following lines of inquiry:

- 'How do we engage with local businesses and the community and voluntary sector in relation to procurement, contract management and commissioning and how do we ensure inclusivity, equality and value for money in these approaches?'
- How do we engage with partners, local businesses and the community and voluntary sector to make the City a catalyst for change by ensuring that all contracts reflect our values in areas such as climate change, equality, diversity and inclusion, retaining and growing local wealth and having a real presence in the City?'

3.0 Progress, options, discussion, etc.

3.1 The Select Committee agreed the final draft of the report at the meeting on 23 February 2022 which is now presented to Cabinet for recommendation to Council for its endorsement.

4.0 Evaluation of alternative options

- 4.1 The Select Committee considered a range of evidence and information when considering and agreeing its findings and recommendations from a diverse range of stakeholders, partners and providers.
- 4.2 The draft report has been shared and discussed with stakeholders for comment and amendments made where appropriate to ensure that the recommendations are realistic and achievable.

5.0 Reasons for decision

5.1 The recommendations and findings contained in the report show that with a progressive approach to procurement and contract management, comes innovation, creativity and the commissioning of services and products that are right for our City and our citizens. One size does not fit all and good communication and engagement with our partners, the Voluntary and Community Sector (VCS), existing suppliers, and potential suppliers will allow us to ensure that we are procuring the right goods and the rights services in the right way for us.

6.0 Financial implications

6.1 This report seeks endorsement and feedback in relation to the action plan, approving the recommendations contained within in principle. At this stage it is anticipated that no additional costs will be incurred in pursuit of many of the recommendations. There are some, however, where associated financial implications may emerge. One such

recommendation is that resources for the Wolverhampton Pound initiative are reviewed by officers and that additional capacity is identified to ensure delivery against this key priority. In these cases the assessment of financial implications and identification of any required funding will follow normal process and details will be incorporated in future updates to Councillors.

[GE/31052022/B]

7.0 Legal implications

7.1 The Council must ensure that it complies with Local Government Law and Procurement Regulations when implementing the action plan.

[SZ/06062022/P]

8.0 Equalities implications

8.1 There are no direct Equalities implications arising from the report. Any equality, diversity and inclusion implications in pursuit of these recommendations will be identified in future reports to Councillors.
