Dear Licensing,

The licence holder has agreed to the mediated conditions being added into the premises licence, please see below. Therefore, acting in my capacity as Responsible Authority for the Licensing Authority, my concerns raised in my representations have been allayed and subject to the amendments being made to the operating schedule, this should negate the need for a hearing, subject to no further representations from any other person or Responsible Authority."

The applicant has asked when can he start trading from, if somebody could contact him please.

Kind regards

Dear Mr Batiya,

Licensing Act (2003) - PRE1492 - Snappy Tomato Pizza, 12 Worcester Street, Wolverhampton WV2 4LD

Following a conversation with yourself on 12 September to discuss the Licensing Authority representations in its capacity as a Responsible Authority, the amendments detailed below have been agreed by yourself, who has stated that they are willing to modify the operating schedule within the application dated 16/08/2022, accordingly:

The prevention of crime and disorder

To add:

1. No off sales of alcohol will be provided to customers from the premises itself. Alcohol will only be offered as part of a delivery order and only permitted as an addition to food orders.
2. Sales of alcohol are not to include any super strength lagers, beers or ciders where strength exceeds 6.5% ABV (alcohol by volume).
3. All customer facing staff to receive training before their first shift when the premises is open to the public and refresher training every six months on their responsibilities with regard to licensing legislation. Training will also cover Challenge 25, personal safety, conflict management, recognising signs of drunkenness, how to refuse service, the premises' duty of care, safe evacuation of the premises, company policies and reporting procedures, action to be taken in the event of an emergency, including the preservation of a crime scene and reporting an incident to the emergency services, and the conditions in force under this licence. This training must be documented and produced to an officer of a responsible authority upon request.

Prevention of public nuisance

To add:

1. Alcohol shall be delivered to a residential or business address only and shall not be delivered to a person in a public place, e.g. a car park, a street corner, a bus stop etc.

Protection of Children from Harm

To amend:

From: Challenge 25 policy will be in place, staff will be trained.

To:

1. The Challenge 25 scheme will be operated to ensure that any person who appears to be under the age of 25 will provide documented proof that they are over 18 years of age. Proof of age will only comprise a passport, photocard driving licence, an EU/EEA national ID card or a card bearing the PASS hologram.
2. When age-restricted goods are delivered to a customer's address, the person who takes receipt of the goods must be subject to Challenge 25 verification. Where age verification is required, an original valid photographic identity document must be provided.

To add:

4. All delivery drivers will undertake Challenge 25 verification at point of delivery. All transactions are to be documented electronically, detailing the order number, recipient and delivery address. This record is to be made available to any responsible authority if requested.
5. Delivery staff shall be over 18 years of age. Where a delivery driver has concerns further to child protection at any address to which alcohol has been delivered these concerns shall be made known to the premises licence holder with a minimum of delay whereupon the premises licence holder shall report the matter to Wolverhampton's Emergency Duty Team.

If you agree to the above please state this agreement on a reply e-mail to myself. If you wish to discuss this further please get in touch.

Kind regards
