		interpretation and practice across the LGPS.	relating to current issues (noting a further consultation was released on McCloud in May)					into the discussion and help shape focus and outcomes. These roles further enable the Fund to understand potential change and supports future planning to aid in meeting evolving requirements.	
		Increasing focus on reporting and oversight with evolving standards for governance and reporting.	Increased reporting from regulatory/national bodies in areas of Investment, climate, funding, customer servicing together with the need for more common industry standards of reporting will require the Fund and its suppliers to enhance data reporting and management tools.	Compliance and risk				The Fund continues to enhance its reporting on data information with ongoing focussed resource to achieve key data targets, and support with data focussed projects such as McCloud, Climate Reporting and Stewardship.	ALL
		Industry wide resourcing constraints across the LGPS and wider pensions industry including regulatory and governing bodies. Stewardship	Leading to delays or lack of knowledge/experience in wider LGPS, resulting in "short focus" change.	Compliance and Risk				The Fund continues to engage with national bodies and groups to support understanding of local issues within the LGPS.	ALL
			Increasing responsibilities of the Fund as a steward of members benefits as well as assets (e.g. transfer out, scam and fraud management, ESG factors)	People and Customers Compliance and Risk Stewardship				The Fund is a signatory to the Stewardship code and continues to build on the reporting and learning. The Fund is a signatory to the Pension Regulator's Pension Scam Pledge. The Fund has a comprehensive employee training programme that supports safeguarding of members.	ALL
2	Operational Resilience	The resilience in our human capital and our ability to adequately, resource, train, and retain.	With a number of changes on the horizon, from business change to regulatory change, the ability of the Fund to ensure its people resource is able to adapt and keep pace will be key to ensuring successful transitions.	Operational resilience People and customers				The Fund is actively working across all departments on employee lifecycle from Recruitment and OD. Training is both bespoke per department, role profile and individually for employee	HoPCs

								growth and future development at the Fund. These are complemented with our employee development plans and appraisal process, which is monitored throughout the year as per the goals set.	
		The resilience of our third-party suppliers	Ensuring our partners are able to meet our ongoing business change needs.	Operational resilience People and customers				Through effectively managing our contracts and supplier performance, we are able to challenge their ability to cope with change and respond to our growing business and customer needs.	ALL
		Cyber and Disaster Recovery	Ensuring our systems and those of our suppliers can withstand disaster and recover to provide continuity in our service delivery.	Operational resilience People and customers				The Fund undertakes an annual assurance and testing programme of all its IT systems and suppliers, ensuring all are capable of identifying and responding to potential external threats.	HOPs HGRA
3	Value Added Servicing	Keeping up with pace of change while limiting impacts on customers	Several business and regulatory change have the potential to change the way the Fund's customers will be required to interact and service their statutory duties.	People and Customers Compliance and Risk				The Fund has dedicated member and employer services teams with an active engagement programme that not only seeks to support customers, but also provides opportunities for customers to engage the Fund on issues relevant to them, enabling effective review and build out of services to ensure all processes are built out as efficiently as possible.	ALL
		Ability of Fund to maintain and evolve to meet growing customer expectations.	Potential reputational damage should the Fund be unable to meet customer servicing requirements.	People and Customers Operational Resilience				The Fund continues to review its customer offering ensuring it is adaptable to changing demands.	ADP
