Scrutiny Work Programme

2023 – 2024

Version Date – 4 December 2023

The Scrutiny Work Programme – 2023 to 2024

Overview and Scrutiny Committees should be powerful committees that can contribute to the development of Council policies and hold the Cabinet to account for its decisions. Another key part of the overview and scrutiny role is to review existing policies, consider proposals for new policies and suggest new policies.

Overview and scrutiny should be carried out in a constructive way and should aim to contribute to the delivery of efficient and effective services that meet the needs and aspirations of local inhabitants. Overview and Scrutiny Committees should not shy away from the need to challenge and question decisions and make constructive criticism. The Scrutiny Board and Scrutiny Panels will conduct their proceedings in accordance with the Overview and Scrutiny Procedure Rules set out in Part 4 of the Constitution. Each Scrutiny Panel will, subject to guidance from the Scrutiny Board, be responsible for setting and reviewing their priorities and work programme for the year.

Any scrutiny member is entitled to give notice to the Scrutiny Team that they wish an item relevant to the functions of the Panel to be considered for inclusion on an agenda for a meeting of the Board or Panel. A discussion will then take place between the Lead Officer for the Panel or Board, the Scrutiny Officer and the Chair / Vice-Chair of the Panel or Board to determine if the request for an additional item is a priority for scrutiny and to give time to consider the value scrutiny can bring to the item. This would ideally take place at an informal preparation meeting. If agreement cannot be reached, it will go to the Scrutiny Panel/Board for decision. The Chair will have due regard for all the points raised in making the decision. Where it is not considered appropriate for the Board or Panel to deal with the item(s), at the next meeting, the Chair will give the reasons for this decision to the member requesting the item. In addition to their rights as Councillors, members of the Scrutiny Board and Scrutiny Panels have additional right to documents, and to notice of meetings, as set out in the Access to Information Procedure Rules in Part 4.

The Scrutiny Board and Panels may scrutinise, and review decisions made, or actions taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the scrutiny role, it may require any Cabinet Member, the Head of Paid Service and/or any Designated Officer to attend before it to explain in relation to matters within their remit:

- a) any particular decision or series of decisions;
- b) the extent to which the actions taken implement Council policy; and/or
- c) their performance,
- d) and it is the duty of those persons to attend if so required.
