### Recommendation(s) for action or decision:

#### The Combined Authority Board is recommended to:

1. Consent to the draft Mayoral (elections) Order (Appendix A), providing for the election of a directly elected Mayor for the West Midlands Combined Authority (WMCA).
2. Delegate approval of any minor and drafting amendments of the Mayoral (elections) Order to the Chair of the Combined Authority, in consultation with the Clerk, for final consent.
3. Endorse the conclusion of the Governance Review (Appendix B) that the making of an Order to confer on the WMCA the additional functions in the draft Mayoral WMCA 'functions' Scheme (Appendix C), and the associated revisions to the governance arrangements, would be likely to improve the exercise of statutory functions in the West Midlands.
4. Consider for approval any further members of the Combined Authority, notified by the 10<sup>th</sup> June 2016, in addition to those identified in the Scheme.

5. Delegate minor and drafting amendments of the draft Mayoral WMCA 'functions' Scheme to the Chair of the Combined Authority, in consultation with the Clerk. This is to include any additional members agreed at the Combined Authority Board on 10<sup>th</sup> June 2016.
6. Approve the draft Mayoral WMCA 'functions' Scheme to be published and consulted on, pursuant to section 112 of the Local Democracy, Economic Development and Construction Act 2009, as amended.
7. Endorse the arrangements for public consultation on the proposals in the Mayoral WMCA 'functions' Scheme, delegating final approval of the consultation details and questions to the Chair, in consultation with the Clerk.

**Recommendation(s) for noting:**

**The Combined Authority Board is asked to note:**

1. The West Midlands Combined Authority devolution agreement.

## 1.0 Purpose

- 1.1 To seek the Combined Authority's consent to the Mayoral (elections) Order, to be laid in Parliament, establishing the position and term for a Mayor for the West Midlands Combined Authority (WMCA). The Mayoral 'functions' Scheme is provided to the Combined Authority for approval alongside the Mayoral (elections) Order, to ensure that the proposed functions and powers of the Mayor can also be considered and approved for consultation, as once the Mayoral (elections) Order is approved by all Constituent Councils, the WMCA, and by Parliament, the position of Mayor is established.

## 2.0 Background

- 2.1 A Combined Authority is a statutory body that facilitates the collaboration and joint working between local authorities and Local Enterprise Partnerships (LEPs), to drive economic prosperity for the area. The Order to establish a Combined Authority in the West Midlands was laid in May 2016, the vesting of which will be the 10<sup>th</sup> June 2016.
- 2.2 Continuing Councillor and Officer support from all member authorities and LEPs is key, ensuring that operationally the close working relationship between the Councils, LEPs and WMCA continues.

## 3.0 The Mayoral (elections) Order

- 3.1 A condition of the devolution agreement is that a new directly elected Mayor for the West Midlands is a member and the Chair of the WMCA. The draft Mayoral (elections) Order makes provision for there to be an elected Mayor and for the first elections to take place in May 2017, for a three year term and four years thereafter. The Mayoral (elections) Order is appended to this report (appendix A) for consideration by the Combined Authority, with minor and drafting amendments delegated to the Chair, in consultation with the Clerk.
- 3.2 Subject to consent of all the Constituent Councils and the WMCA, it is anticipated that the Secretary of State for Communities and Local Government will lay the Mayoral (elections) Order before Parliament in June 2016.

## 4.0 The draft Mayoral WMCA 'functions' Scheme

- 4.1 The Mayoral (elections) Order does not deal with the functions and powers of the Mayoral WMCA, it provides only for the position and election of a Mayor for the Combined Authority. Therefore in conjunction with the Mayoral (elections) Order, **a draft Mayoral WMCA 'functions' Scheme** (appendix C) has been prepared for consideration by the Constituent Councils and the Combined Authority, which will be the subject of public consultation if approved by all Constituent Councils and the Combined Authority.
- 4.2 The Secretary of State must then take into consideration the proposed Mayoral WMCA 'functions' Scheme and consultation responses. A further Order (the Mayoral WMCA 'functions order'), based on the Scheme, is then laid in Parliament. In relation to the transfer of any local authority function such transfer would require the consent of the Constituent Councils and functions would be run concurrently/jointly with the WMCA.
- 4.3 It is anticipated that the Mayoral WMCA 'functions' Order would be considered by Constituent Councils and the Combined Authority in September/October 2016, before being

laid in Parliament. The Mayoral WMCA current working timeline is detailed in paragraph 7.0 of this report.

#### 4.4 Legal context

Section 113 of the Local Democracy, Economic Development and Construction Act 2009 (“the 2009 Act”), as amended by the Cities and Local Government Devolution Act 2016 (“the 2016 Act”) enables the Secretary of State, to make changes by Order in relation to the functions of an existing Combined Authority. Such changes can be made where the authority has carried out a governance review and concluded that conferring on the Combined Authority additional functions, to be set out in the Scheme, would be likely to improve the exercise of statutory functions in the Combined Authority’s area. The Scheme is then prepared, published and consulted on.

The 2016 Act makes provision for conferring additional functions on Combined Authorities established under Part 6 of the 2009 Act. Sub-section 1(2)(e) of the Devolution 2016 Act refers to “*the principle that powers should be devolved to Combined Authorities or the most appropriate local level except where those powers can more effectively be exercised by central government.*” Therefore the 2016 Act has amended the 2009 Act so that a Combined Authority is no longer restricted to the exercise of statutory functions relating to economic development, regeneration and transport.

4.5 The 2016 Act is enabling legislation and confers the specific Combined Authority and Mayoral powers and functions, detailed in the Governance Review and Scheme. The conferral of powers and functions onto the Combined Authority will be subject to Orders, which will require the consent of all of the Constituent Members and the WMCA. The 2016 Act also provides the legislative framework to address other issues, particularly in relation to governance. Whilst such issues are not an explicit part of the devolution agreement, the WMCA Orders will address such issues to ensure the efficient and effective operation of WMCA governance arrangements.

4.6 Additional governance arrangements in the Mayoral WMCA ‘functions’ Scheme will include additional members, in pursuit of the WMCA’s ambition to collaborate across the West Midlands geography. At the time of preparing this report, the agreed additional members are:

Stratford-on-Avon District Council  
Shropshire Council

The Combined Authority is asked to consider for approval any further members of the Combined Authority, notified by the 10<sup>th</sup> June 2016, in addition to those listed above. The Combined Authority therefore also asked to delegate minor and drafting amendments of the draft Mayoral WMCA ‘functions’ Scheme to the Chair of the Combined Authority, in consultation with the Clerk.

4.7 The review operates on the principle that devolution is **not** about taking powers away from Constituent Councils, but is about drawing down powers from central government or government agencies. Therefore, where the Scheme proposes that there should be conferred on WMCA functions of Constituent Councils (mainly in the area of skills and transport) these will only be exercisable concurrently or jointly with the Constituent Council and will be subject to agreed protocols, any deviation from this will be clearly listed.

- 4.6 The proposal for the functions and powers that the Mayoral WMCA will exercise are outlined in the Scheme (appendix C). The powers and functions proposed in the Scheme are sought by the WMCA to enable a Mayoral WMCA, in conjunction with the Mayor, to deliver the Devolution Deal.
- 4.8 The Scheme is based on the establishment of an elected Mayor for the West Midlands Metropolitan area working as part of the Combined Authority, with a Cabinet of Council Leaders of the Constituent Councils and subject to local democratic scrutiny. The Scheme also outlines the importance of the collaboration across the three LEP geography as well as neighbouring councils across the West Midlands.
- 4.9 The Mayoral WMCA Cabinet will examine the Mayor's draft annual budget and the plans, policies and strategies, as determined by the Mayoral WMCA, and will be able to reject them if two-thirds of the Mayoral WMCA Cabinet agree to do so. In the event that the Mayoral WMCA reject the proposed budget then the Mayoral WMCA shall propose an alternative budget for acceptance by the Cabinet, subject to a two-thirds majority of those present and voting. The Mayor shall not be entitled to vote on the alternative Mayoral WMCA proposed budget.
- 4.10 The Scheme details those functions that will be a Mayoral function, a joint Mayoral WMCA/Mayoral function and a Mayoral WMCA function, in summary:

- **A Mayoral Function**

Exercised by the Mayor, WMCA Cabinet does not have a vote or limitation on these functions unless explicitly stated.

- **HCA CPO powers** (with the consent of the appropriate authority(ies))
- **Grants to Bus Service Operators** (Secretary of State to consult the Mayor)
- **Devolved, consolidated transport budget**
- **Reporting on the West Midlands Key Route Network (WMKRN)** (in consultation with the authorities)
- **Mayoral precept**
- **Raising of a business rate supplement** (in agreement with the relevant LEP Board(s) and the Mayoral WMCA)
- **Functional power of competence**

- **A Joint WMCA/Mayor Function**

The responsibility of the Mayor but, for example, is maintained/managed by the Mayoral WMCA. These functions are the responsibility of the Mayor therefore matters in relation to the exercise of these functions by the Mayoral WMCA would be subject to the Mayor's vote in favour:

- **The West Midlands Key Route Network** – The WMKRN is the responsibility of the Mayor but maintained and managed by the WMCA, powers and functions sought to achieve this are outlined in the Scheme (appendix C). Further joint WMCA/Mayoral transport functions sought are regarding bus re franchising and enhanced quality contracts.

- **Low emissions and clean air zones** - the Mayor and the Mayoral WMCA will have the power, subject to proposals being brought forwards, to create low emissions and clean air zones, with the affected highway authority(ies) consent.
- **Homes and Communities Agency (HCA) objectives and functions** – Mayoral WMCA to exercise functions concurrently with the HCA to drive housing delivery.
- Arrangements, exercised jointly/concurrently with the Secretary of State, for the purpose of **assisting persons to train for, obtain and retain suitable employment**, and enter into agreement for the provision of ancillary goods and services.

- **A Mayoral WMCA Function**

Exercised by the Mayoral WMCA and **not** subject to the Mayor's vote in favour, the Mayor votes as a member.

- **Current WMCA powers and functions** – contained within the WMCA establishment Order – i.e. transport functions currently undertaken by the Passenger Transport Executive (PTE), and economic development and regeneration functions. It is not appropriate that the Mayor is required to vote in favour as such functions are Local Authority functions, exercised concurrently/in parallel and with the Local Authorities.
- **HS2 Growth: Development Corporations** - The WMCA to have the ability to designate any area of land, with the consent of the local planning authority(ies) for the area(s) in the Mayoral WMCA Area, as a development area leading to the establishment, by Order, of WMCA development corporations. As per the devolution agreement, this would be a Combined Authority-led development corporation to deliver local growth.
- **Matters reserved to unanimous Constituent Member voting** – contained within the WMCA establishment Order and WMCA Constitution, agreement of such matters are subject to a unanimous vote of the Constituent Member.

4.11 It is to be noted that not all aspects of the West Midlands devolution agreement requires legislative change to implement, the Scheme details those that require legislative or regulatory change before they can be exercised by the Mayoral WMCA.

## **5.0 Options considered and recommended proposal**

- 5.1 The Combined Authority consents to the draft Mayoral (elections) Order, that the Secretary of State intends to lay before Parliament, to allow for an elected Mayor of the WMCA. The provision for an elected Mayor is a requirement of the devolution agreement.
- 5.2 The Combined Authority is recommended to approve the draft Mayoral WMCA 'functions' Scheme that outlines the proposals for the powers and functions of the Mayor and WMCA, to be published for public consultation.

## **6.0 Public Consultation**

### **6.1 Consultation requirements**

It is a requirement that a public consultation be undertaken in most cases where additional functions are to be conferred upon a Combined Authority. The consultation will relate to the proposals contained in the Mayoral WMCA 'functions' Scheme (appendix C) and led by the WMCA and the Constituent Councils, carried out on behalf of the Secretary of State, in order to inform his decision to lay the subsequent Order. It is proposed that, subject to agreement of the all Constituent Members and the Combined Authority, the public consultation is launched on 27<sup>th</sup> June, for an eight-week period.

- 6.2 Once the consultation period is complete, the WMCA is required to provide the Secretary of State with a summary of the consultation responses. The law requires that the Secretary of State must then be satisfied that no further consultation is required. There is no requirement for such responses to come back to the Constituent Councils or the WMCA before being submitted to the Secretary of State. However, it should be noted that the WMCA and the Constituent Councils are required to consent to any draft Order before it is laid before Parliament.

### **6.3 Consultation approach**

The consultation is intended to seek views from the public and stakeholders on the additional functions proposed to be conferred on WMCA, following the devolution agreement, as set out in the Scheme.

- 6.4 Every resident, business and stakeholder in the West Midlands will have the opportunity to respond if they wish to do so. A number of organisations will also be contacted directly to invite them to make a response to the consultation.
- 6.5 The consultation will be led by the WMCA and the Constituent Councils and include key partners to raise awareness of the WMCA, the ambitions of the West Midlands and the benefits of devolution to Wolverhampton, the West Midlands and its residents. All Constituent Councils, the three LEPs and other partners, including non-constituent councils, will be asked to pass on the information they receive to their networks, stakeholders and local media to encourage participation in the consultation.

6.6 Key messages to be reflected during the consultation include:

- that the proposed changes are not about taking powers from the individual Constituent Councils (all local authority powers would be exercised concurrently/jointly with the Councils) but are about gaining additional powers for the WMCA from central government;
- that the process of transferring / providing additional powers is being carried out in partnership with central government departments and agencies; and
- that the proposed changes are the first in a series of changes to powers for the West Midlands and that local people will have opportunities to comment on those future proposed changes.

6.7 The consultation will be conducted primarily through digital channels with consultation feedback gathered via the WMCA website. Proposed channels include:

- pro-active media releases and pro-active engagement of regional and local media throughout the consultation
- web content for the WMCA website, including a feedback form
- similar, but locally adapted content for local authority and partner websites
- social media using WMCA channels
- staff messaging.

6.8 Respondents will also be able to submit responses by letter or email should they wish to do so. Consultation documents and publicity materials will be made available in key local authority buildings.
