## 1.0 Purpose

- 1.1 The purpose of this report is to inform Committee members of the plans for the external audit of the funds' Annual Report and Accounts for 2015/16.

## 2.0 Background

- 2.1 The Annual Report and Accounts for 2015/16 have been prepared and are presented to this Committee for approval under a separate agenda item. They will now be subject to external audit by the funds' appointed external auditors, Grant Thornton LLP.

## 3.0 Audit Plans

- 3.1 Four documents prepared by Grant Thornton are appended to this report: two for each of the funds. Those two types of document are:

- *The Audit Plan* – this sets out the scope and timing of Grant Thornton's proposed work on the external audit, along with other relevant information.
- *Informing the Audit Risk Assessment* – this document sets out some of the potential areas of risk with regard to the Annual Report and Accounts. Under auditing standards, Grant Thornton are required to formally seek the views of the Committee on these areas. The document provides management responses to a number of questions posed by the auditor, and the Committee are invited to consider whether these responses are consistent with its own understanding, and whether it has any further comments to make on these matters.

- 3.2 *Informing the Audit Risk Assessment* considers areas of particular relevance to the external audit under five headings:

- Fraud Risk Assessment;
- Impact of Laws and Regulations;
- Going Concern Considerations;
- Estimate Considerations;
- Related Party Considerations.

- 3.3 The ultimate outcome of Grant Thornton's work will be an opinion in respect of each fund on:

- The fund's financial statements;
- The fund's annual report.

- 3.4 The audited Annual Report and Accounts, including the auditor's opinions, will be presented for Committee's approval in September, ahead of the statutory deadline for publication of 30<sup>th</sup> September.
