Subject: Premises Review – Canalside, Castlecroft Lane, Wolverhampton, WV3 8JU - PRE1379

Sensitivity: PROTECT

Good Morning

Slight amendment to my previous email

The facts provided as part of the Premises Review Submission indicate that the business operated outside of its Licence Conditions and therefore I write on behalf of Environmental Health, as a Responsible Authority, in support of the review of the premises license under the Licensing Objective Public Nuisance.

Kind Regards

Faye
