Subject: RE: Premises Review – Canalside, Castlecroft Lane, Wolverhampton, WV3 8JU - PRE1379
Attachments: PH Reps Canalside.docx

Dear Licensing,

I write on behalf of Public Health as a Responsible Authority to submit supporting formal representations to the above application under the licensing objectives of The Prevention of Crime and Disorder, Protection of Children from Harm, Public Safety and the Prevention of Public Nuisance.

Public Health have very serious concerns regarding:

The premises not upholding the licensing objectives and failure to comply with the conditions attached the licensing agreement.

As a Responsible Authority we would expect any business licensed to sell age restricted items, to act responsibly at all times and promote the key objectives of the Licensing Act 2003.

Public Health is not reassured that the business is operating in adherence to the Licensing Act and therefore supports Licensing Authorities request to review the current licence. I, or a suitable representative from Public Health, will be available to attend the hearing and provide further information as required.

Kind regards

Ryan

15th March 2024

Dear Joshua,

Premises Review – Canalside, Castlecroft Lane, Wolverhampton, WV3 8JU - PRE1379

Thank you for your email dated 6th March 2024 regarding the request made by the Licensing Authority to review the premises licence for Canalside.

I have reviewed the documentation put forward by Licensing Authority and would support the request to review the premises licence under the licensing objectives of:

- The Prevention of Crime and Disorder
- The Protection of Children from Harm
- Public Safety
- The prevention of public nuisance

The premises licence holder and designated premises supervisor (DPS), has failed to comply with the conditions attached to their licence, thus neglecting to uphold the licensing objectives. As a Responsible Authority, we would expect any business licensed to sell alcohol to act responsibly at all times and promote the key objectives of the Licensing Act 2003.

Considering the reported breaches of licensing conditions and failure to promote licensing objectives, this provides no assurance to Public Health that the business is operating in accordance with the Licensing Act. Therefore, Public Health supports the review of the premises license.

I, or a suitable representative from Public Health, will be available to attend the hearing and provide further information as required.

Yours sincerely,

Ryan Hollings
Senior Public Health Specialist
