Dear Mr Edge

Application of a Premises Licence under Licensing Act 2003
Sweet as Ya Like, 46c Queen Street, Wolverhampton WV1 3BJ

I write on behalf of the Licensing Authority as responsible authority to make formal representations to the above application. Representations are made in support of the crime and disorder and prevention of public nuisance licensing objectives. The premises falls within the Cumulative Impact Zone and there is a rebuttable presumption that the application will be refused unless the applicant can demonstrate that there will be no negative cumulative impact on one or more of the licensing objectives.

The applicant, Danielle Fear has not produced sufficient evidence within her operating schedule to show how the presence of this venue will not contribute to the cumulative impact.

However, I understand the applicant has met with West Midlands Police and Environmental Health Commercial and is in the process of agreeing proposed amendments to her operating schedule for the above premises.

The Licensing Authority would request clarification of these proposed amendments at the Licensing Sub-Committee hearing.

The Licensing Authority would be willing to withdraw their representations should the above issues be resolved in dialogue to the satisfaction of the Licensing Authority and/or any other responsible authority.

Continued/...

I shall be in attendance at the hearing should Councillors have any questions or require any further assistance.

Yours sincerely

E Moreton
Section Leader Licensing
On behalf of the Licensing Authority
