Subject: RE: PRE1252 - The Grand Post House, 62-70 Lichfield Street, City Centre - New Application

On behalf of Environmental health Commercial, I would like to put in representations in relation to this application. Insufficient information has been provided to address the licensing objective of the Prevention of Public Nuisance, based on the location of the proposed being within the Cumulative Impact Area.

A meeting has been arranged between the applicant and the responsible authorities to discuss the application and its requirements further.

Regards
Sarah
