Revisions

- 1 The kitchen is to be located in the present East Gallery.
- 2 Cleaners store where the stairs down to the basement have been removed.
- 3 The existing staff room is now designated as a "Shop - Public Area".
- 4 New openings from the entrance hall to the Atrium, Restaurant and the Civic/ Exhibition Hall. Height of openings and doors 3.6 metres
- 4a New open arcade of columns.
- 5 Remove original wall with new steel beam in downstand. Leave ceiling cornices intact. (Note there is no wall above and never has been).
- 6 The existing external wooden doors are to be fully refurbished and increased in height to take up the distance where the floor level is lowered, and to be rehung to open outwards. Immediately inside these doors new fully glazed sliding doors are to be installed with a heat curtain. Internal ramps with polished plaster side walls 900mm high.
- 7 The stonework to the column bases will have to be restored with new shaped stonework where the external levels are being lowered. See Drawing 10.
- 8 Remove ceilings in Civic Education Major Hall, and restore original ceiling. New partition wall 2.8 metres high. Windows above to have automatic blackout blinds. Reroute air handling ducts.
- 8a Remove existing reception desk and fittings and make good as recess for display etc with new lighting in soffit.
- 9 New reception desk to be located in Entrance Hall (furniture item).
- 10 The cills of these windows are to be cut down to floor level and new windows and doors inserted. Stone reveals to be made good and tooled to distinguish them from the existing reveals above.
- 11 New timber ramps and seating.
- 12 New stone wall and coping to match existing opposite.

GF PLAN SHOWING DEMOLITION

THIS DRAWING IS A PRELIMINARY DESIGN AND IS NOT TO BE USED FOR CONSTRUCTION OF WORK. ANY CHANGES TO THE DESIGN MUST BE APPROVED BY THE ARCHITECT BEFORE PROCEEDING. THE DRAWING IS NOT TO BE REPRODUCED WITHOUT THE WRITTEN PERMISSION OF THE ARCHITECT.

REVISIONS: NOTE FOR CONTRACTOR

IT IS THE RESPONSIBILITY OF THE CONTRACTOR TO VERIFY ALL DIMENSIONS AND LOCATIONS OF EXISTING STRUCTURES AND SERVICES. THE CONTRACTOR SHALL BE RESPONSIBLE FOR OBTAINING ALL NECESSARY PERMITS AND FOR THE PROTECTION OF ADJACENT PROPERTIES. THE CONTRACTOR SHALL BE RESPONSIBLE FOR THE PROTECTION OF ADJACENT PROPERTIES AND FOR THE PROTECTION OF ADJACENT PROPERTIES.

DEMOLITIONS

Remove reception desk and make good.

Remove modern insertions in Major Hall.

To provide access to the East Gallery, the stair down to the basement will have to be removed.

Demolish toilets and construct new facilities to meet needs of restaurant.

New opening in wall 2.3 metres high

Walls (not original) to be removed here. There are a few vertical and horizontal air handling ducts which will have to be relocated

Removal of switchback ramp, and solid walls to the adjacent spaces opens up the entrance hall, making it light and welcoming.

ELEVATION AS PROPOSED
OMITTING BALUSTRADE

THIS DRAWING IS COPYRIGHT © AND INTENTIONALLY BEING USED ON THE BASIS OF THE PRELIMINARY DESIGN OF THE PROJECT. THE DRAWING IS NOT TO BE USED FOR ANY OTHER PURPOSE. THE DRAWING IS NOT TO BE USED FOR ANY OTHER PURPOSE. THE DRAWING IS NOT TO BE USED FOR ANY OTHER PURPOSE.

The restaurant/ bar is now at the front of the Art Gallery, and there are further proposed alterations to the facade as outlined below.

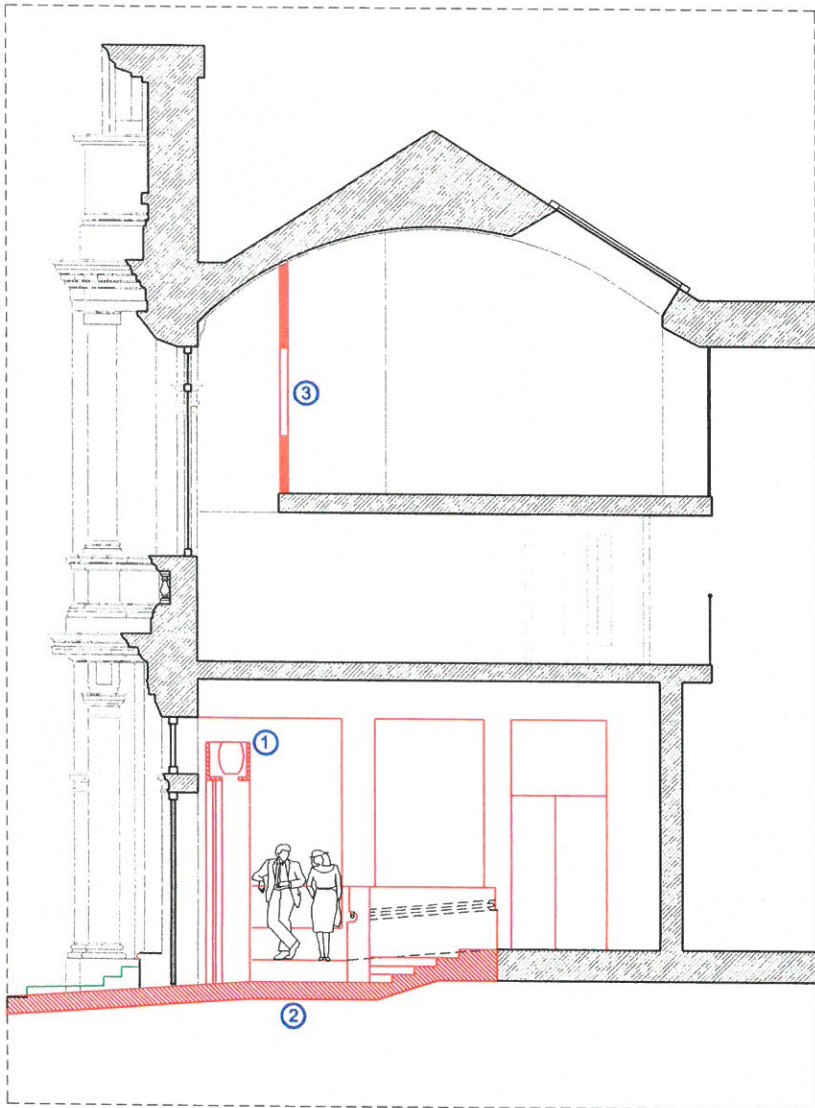

- 1 Erect an external terrace accessed from the restaurant. This will be at the same level as the restaurant providing full access. The balustrade of this terrace will be frameless glass.
- 2 The terrace itself will be steel framed supported on "goalposts" and will not touch the building. A translucent glass floor will allow light into the well below and the rooms that open on to it. The structure will be steel hollow sections with welded joints - designed to be seen (future development).
- 3 To gain access from the restaurant it will be necessary to have two doorways. Rather than lower the cills of only two of the windows, it is proposed to lower all the cills. This will we believe be more visually satisfactory, and also increase the visibility of the restaurant / bar from the street.
- 4 The existing "access" door will be removed and the window, stone cill and curved wall and coping reinstated.
- 5 The existing wooden front doors will be adapted - lengthened to the new lower floor level.
- 6 New stone window cill and wall where existing door is removed. New curved balustrade and coping to match the existing wall on the other side of the entrance.
- 7 Note that the new raised ground level does not touch the stone detailing around the column bases.
