This remit included the specific responsibility to oversee the operation of the call-in mechanisms and to oversee the work programmes of Scrutiny Panels to avoid duplication of work and to ensure coherence of approach to cross-cutting policy themes. The Board may determine that one named Panel shall take lead responsibility for a cross-cutting policy theme or may determine that the work be shared between one or more panels.

3.0 Work Programme Planning

- 3.1 The work programme (Appendix 1) is a working document which is reviewed at each agenda planning meeting to determine the timeliness and relevance of items for scrutiny. Any member can also ask for an item to be considered by Scrutiny. At each Scrutiny Board an updated work programme will be presented for discussion and agreement.
- 3.2 New items for consideration are highlighted in blue.

4.0 Financial implications

- 4.1 There are no direct financial implications arising from the recommendations in this report. Within Governance, there is a scrutiny budget to support the investigation of issues highlighted by councillors through the work programmes of the panels and the reviews and inquiries.
