

Appendix 3

Proposed New Street Trading Pitch Locations

The map illustrates the layout of Victoria Street and its surrounding areas, highlighting key locations and infrastructure. Key features include:

- Streets:** Victoria Street runs vertically through the center. Other streets shown include Skinner Street, Bell Street, Cleveland Passage, Townwell Fold, and Farmer's Fold.
- Landmarks and Buildings:** Stafford House, Victoria House (above), The George Wallis (PH), Farmer's Fold, and The Neville Garratt Centre are labeled.
- Infrastructure:** EL Sub Stn (Electricity Substation) is located near the bottom right. A power point for automatic bollards is indicated at the top left.
- Power Points:** Multiple "power point for automatic bollards" and "trader/event power point" locations are marked along the street, primarily concentrated between Skinner Street and Bell Street.
- Other Features:** A "master cabinet for all trader/event power points" is located near the intersection of Skinner Street and Bell Street. A "power point for events screen" is also marked near the bottom right.
