Good Afternoon

I write on behalf of the Environmental Health as a Responsible Authority to submit formal representations to the above application under the licensing objective of the Prevention of Public Nuisance. More detail is required within the operating schedule to show how the applicant will address the licensing objective of the Prevention of Public Nuisance.

I will be looking to mediate with the applicant in order to address these concerns by way of amendments to the operating schedule prior to a Statutory Licensing Sub-Committee hearing.

Kind Regards

Faye
