Dear Sir

I wish to object to the 2 day licensing application on 16th/ 17th June at Bantock park . [REDACTED]
[REDACTED] the beat of the music was so loud that the whole house was vibrating !In the back garden , during the day ,you couldn't hear any of the lyrics , just this booming for hours on end . It was torture! It was actually so bad , I did wonder if it was possible to cause structural damage to the house . I was not aware in June of any unruly behaviour outside my home . I do not object to people having fun for a few hours , it was the excessive volume of the music I object to . When they announced the September Ibiza , I decided to go away to avoid any possible noise and disruption .It is not reasonable of the organisers to expect residents to do this every time.

Your faithfully
