CAUTION: This email originated from outside of the council. Do not click links or open attachments unless you are sure the content is safe.

I wish to object to this license application.

I found the recent Ibiza in the Park event in September to be both noisy and disruptive and that was for only one day, the proposed one is for longer. I would still object even if it were only for one day.

These events must be absolutely horrendous for people to endure, who are living closer to the park than I!

A suggestion to the Council for a more suitable venue would perhaps be to use Wolverhampton Race Course.
