**Further details**

I wish to object strongly to the proposal of another concert this time for 2 days. It was bad enough for 1 day this year with the noise and road disruption. The noise in particular I am elderly and the constant bump bump bump of the bass was awful and I could not hear my own television in my house it was so bad.

Surely there are other places away from residential areas that this could be done there is a Football Stadium ideal for this sort of thing.
