Dear Licensing,

The agent has agreed the proposed mediation condition below. Therefore, acting in my capacity as Responsible Authority for the Licensing Authority, my concerns raised in my representations have been allayed and subject to the amendments being made to the operating schedule, this should negate the need for a hearing, subject to no further representations from any other person or Responsible Authority.

Kind regards

Hi Amitabh,

Having considered this, we have no objections to this being added to the operating schedule of the premises licence.

Kind regards
Rob
