Good Afternoon

Having read the statement from Rob Edge I am willing to withdraw my objection as long as all of the criteria set out if applied.

I still don't understand why the concert has to be in a small park in the centre of a residential area when there are sure to be much more suitable locations like the Wolves ground for example.

I do not want to be a killjoy, I was young once, and enjoyed going to concerts but they were in event venues not in the local park.

Regards
