

Scrutiny Work Programme

Version Date: January 2023

OUT OF DASH

The Scrutiny Work Programme – 2022 to 2023

Overview and Scrutiny Committees should be powerful committees that can contribute to the development of Council policies and hold the Cabinet to account for its decisions. Another key part of the overview and scrutiny role is to review existing policies, consider proposals for new policies and suggest new policies.

Overview and scrutiny should be carried out in a constructive way and should aim to contribute to the delivery of efficient and effective services that meet the needs and aspirations of local inhabitants. Overview and Scrutiny Committees should not shy away from the need to challenge and question decisions and make constructive criticism.

The Scrutiny Board and Scrutiny Panels will conduct their proceedings in accordance with the Overview and Scrutiny Procedure Rules set out in Part 4 of the Constitution.

Each Scrutiny Panel will, subject to guidance from the Scrutiny Board, be responsible for setting and reviewing their priorities and work programme for the year.

Any member of the Scrutiny Board or a Scrutiny Panel shall be entitled to give notice to the Head of Paid Service that he/she wishes an item relevant to the functions of the Panel be included on the agenda for the next available meeting of the Board or Panel. On receipt of such a request the Head of Paid Service will ensure that it is included on the next available agenda.

In addition to their rights as Councillors, members of the Scrutiny Board and Scrutiny Panels have additional right to documents, and to notice of meetings, as set out in the Access to Information Procedure Rules in Part 4.

The Scrutiny Board and Panels may scrutinise, and review decisions made, or actions taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the scrutiny role, it may require any Cabinet Member, the Head of Paid Service and/or any Designated Officer to attend before it to explain in relation to matters within their remit:

- a) any particular decision or series of decisions;
- b) the extent to which the actions taken implement Council policy; and/or
- c) their performance,
- d) and it is the duty of those persons to attend if so required.
