Dear sir/ madam

I feel I have to stand up for this amazing pub, I have been going into this pub since Wayne parkes took it over, I would never go in there before this as I never felt safe and trouble was a regular occurrence.

This pub has free entertainment on every weekend, and 2 bouncers on the doors to keep the riff raff out, and also keep the doors shut to keep the noise at a level that doesn't affect the neighbours. This pub is the heart of the community, Wayne goes above and beyond to check that all his paying customers are happy, puts on regular things for children, even xmas he put on a santas grotto and free present! What gaffer do you know that would do that! and even decorates the island (all out of his own pocket) the island is quite the talking point and was recently in the express and star for his nhs decoration. I think I need to add that I am nearly 50, I feel it's the only pub in Wednesfield where I could walk into in my own and feel safe, I have made many new friends and love my soul and Motown nights in there with many people being my age group. Please please save this pub!
