Pheasant public house is a hub of community within the Wednesfield area. It's a pub that makes welcome customers of ALL ages, creeds and colours. I'm a [REDACTED] disabled [REDACTED] and this pub has played a vital role in my fight against depression. It's so friendly and welcoming, I've made many new friends and acquaintances. It's not just a pub its a conscientious run cabaret and sports bar, it plays by the rules, I myself and many others see this place as a safe place. The landlord and landlady go above and beyond in their efforts to make the pub safe and welcoming. They are part of the Wednesfield community, they provide children with Santa and Christmas presents, children receive Easter eggs, they provide Children with a safe place to play. Entertainment for everyone from music, singers and sports. Security is professional and friendly. The doors to the gardens are closed by a security guy every time someone passes through. It's not a rowdy or raucous pub its a happy place. Wayne and [REDACTED] decorate the island outside of the pub, it's a topic of conversation shared by customers and non customers, it celebrated our Queen's jubilee and Honoured her respectfully when she passed . The island celebrates all special occasions from Christmas to sporting events. The island celebrated most recently the NHS, the pub also raised over £1500.00 for the Children's word at New Cross by raffling a donated and signed Wolves shirt. The Pheasant has bought a source of community spirit to our local area and would be sadly missed by so many people if it was to loose its license. Wayne and [REDACTED] have made a good and positive stamp since they began running the Pheasant. It would be a travesty to loose what as become a popular, safe and positive asset to Wednesfield and Wolverhampton area .

Thank you for listening,
