Dear Sirs,

Have you seen Facebook and what this man is doing, got everyone in the surrounding area to pick on the people at [REDACTED], he has made it known to all thugs alike that it is these people who have caused him to go to court to fight for his licence Appalling behaviour!! Said he's charity minded and does slot for the hospital. What about the staff 4 of them live quite close to the Pub and are on shifts and cannot sleep due to the music, people living late, rowdy people.

I've been in the pub but no more after listening to him asking his thugs to cause these people problems, don't want to be associated with it I've lived there for years we had none of this

Didn't answer on Facebook frightened of the backlash Kind regards
