Hi

I believe the landlord is asking people to contact you about why the pub should stay open.

It's the best news ever that it might close, a pillar of the community Wayne parks calls himself. Hes dodgy and everything is a front, I live on woodend road and would never use that pub, especially since he's taken it over, loud music is a common occurrence and always as been. Him and his wife are just fake and pretend their running a perfect family pub 🤔. I hope it closes down it only attracts his type anyway ( dodgy ).

Regards
