Subject: REVIEW REPRESENTATION: The Pheasant, Wood End Road, Wednesfield WV11 1YQ
Importance: High

Dear Officers- the below representation is sent on behalf of Wayne Parkes, copied in... Kindly acknowledge receipt.

To the licensing authority,

My name is Wayne Parkes. I am the DPS and tenant at the Pheasant, Wood End Road, Wednesfield WV11 1YQ. I am making this representation in this capacity.

When I took on the Pheasant, it had been closed for some time. Before that, the pub had been known for trouble and disorder.

I have worked very hard to provide a safe and secure venue that offers a range of activities, including entertainment for the community. This has become very popular and I have no trouble with crime and disorder at the premises.

I try very hard to ensure that what I do balances my neighbour's rights with running a successful and popular business. I have worked with officers from the council and Greene King, my landlords, and will continue to do so.

I am making this representation under the prevention of public nuisance licensing objective, as that seems to be what the officer bringing the review has focussed on but reserve the right to raise a defence against any of the licensing objectives that I am alleged to have undermined.

At the hearing, I will present further evidence of the measures we have put in place to try to ensure that we promote the objectives.

Yours sincerely

Wayne Parkes

I object to the license of the above premises being removed. This pub and the owners have been a vital part to the community during lockdown creating fun and safe days to all families. It would be an outrage to remove their license.

This public house has brought a community back together, they have displays in the island celebrating every occasion.

They have charity nights raising money for good causes.

They provide entertainment for the over 25's which many people gather to enjoy

They have entertainment for the children, ie Easter egg hunt, Christmas parties, Hallowe'en parties
The licensees have embraced the community and provided an entertainment space suitable for all
It would be a travesty if the licence was taken away
I hope the right conclusion is made when review is discussed.

Dear sir my name is [REDACTED] I live at [REDACTED] I am [REDACTED]. I am appalled at the council wanting to take the license from Mr&Mrs Parkes who are the licenses of the New Pheasant public house wood end road Wednesfield Wolverhampton. When they took over the the premises which I believe to have been closed for sometime ,they changed the pub into a lovely place for people to meet the Standard of entertainment is unbelievable...I go every Saturday with friends to hear the singers and have never experienced any problems with violence...the security staff are very vigilant to any problems....I have public houses near to where I live which I would not use because of the trouble they have there ...I have now come to know Janet and Wayne they are really a nice couple who work very hard at what they do so please rethink seriously about what you intend to do yours sincerely [REDACTED]
