Dear Donna

I have been sent the following statements from members of the public who I believe wanted to make representations. As they are late, I will simply refer to them as part of my submissions. Can you please include them with my submission document. They may wish to attend as witnesses to Mr Parkes.

STATEMENT OF DAVID TURNER

To whom it may concern I am aware that a number of complaints have been made concerning the Pheasant public house. I retired from West Midlands Police in April last year following 50 years service, my last 3 years were at Wednesfield Police Station I am not aware of any calls made regarding issues or trouble at the Pheasant. I have been a regular at the premises for over 18 months. The customers are aware of my previous occupation and I have never had any issues with other customers, I have been accepted and made most welcome. I have never seen any evidence of drugs being sold or used on the premises and never seen or heard of any violence on the premises since the new licences has taken over, I believe he has done an excellent job by cleaning the pub up and making a warm friendly atmosphere. From my many years of dealing with licenced premises the pub is run as well as it possibly could. I have been made aware of scurrilous Accusations made against the licensee and his wife, clearly the people making such allegations do not know the people they are talking about. If the premises were not run correctly I would not be going there. I am willing to assist in any way I can to assist the licensee

STATEMENT OF RAY GILES

I cannot understand this review of the licence for the premises, it is a well run family pub, no issues at all and well loved by the local community. The management support all local charities and organisations including Wednesfield Royal British Legion... of which I am the secretary.. we are losing pubs at a shocking rate and can ill afford to lose a well run establishment such as this.

Kindly acknowledge receipt.

Kind regards

Piers
