Hi Donna

I'm sorry that I won't be attending the hearing. My reasons are that I would be worried that I would get a comeback from the people that are associated with that pub, the door man they have is a ex boxer who is a bully, he knows who to hit.

[REDACTED] The sooner that pub goes the better, the island where he paints it with stupid decor is a distraction when your driving aswell.

Hi Donna

I won't be attending as I explained my reasons in my last email. I have read the report, I know that Wayne parkes was asking people to send emails in his favour, I'm not shocked at all. Wayne parkes and his door staff are intimidating bullies.

I believe a lot of people are too intimidated to attend.

One lady has put her house up for-sale and installed CCTV as she's frightened

Hi [REDACTED]

Thank you for letting me know and bringing this to my attention.

If you do want to attend, you can arrive early and I will escort you to the room.

May I ask how you became aware of this mob and their intentions?

Kind regards
