

Committee, Panels and Board Meeting Data

(Data accurate as of 13 October 2023)

Webcasting Data

- The Council's current webcasting system provides transparency and accountability in respect of the specific meetings webcast.
- As of June this year, we now also have webcasting equipment installed in Committee Room 3.
- Currently all Council, Cabinet, Cabinet (Resources) Panel, Committees, Scrutiny Board and Panels are being webcasted.
- The current systems allows all to view public meetings live or from the archive for a period of 12 months.
- We can only capture how many views of each webcast there are and not who, or what purpose they are using the system.
- The webcast viewing data is for last municipal year and for the current municipal year so far.
