Hi Reba,

Happy to agree the following change:

Change from:

From 8pm at least one of the SIA door supervisors shall be female. Where this is not possible, details must be recorded why in the incident book. Furthermore, this shall be reported in writing to the Licensing Authority with 48 hours.

Change to:

When searching is undertaken, at least one of the SIA door supervisors shall be female. Where this is not possible, details must be recorded why in the incident book. Furthermore, this shall be reported in writing to the Licensing Authority within 48 hours.

Thanks,

Greg
